

# USER GUIDE

## 2. REGISTER

## REGISTER

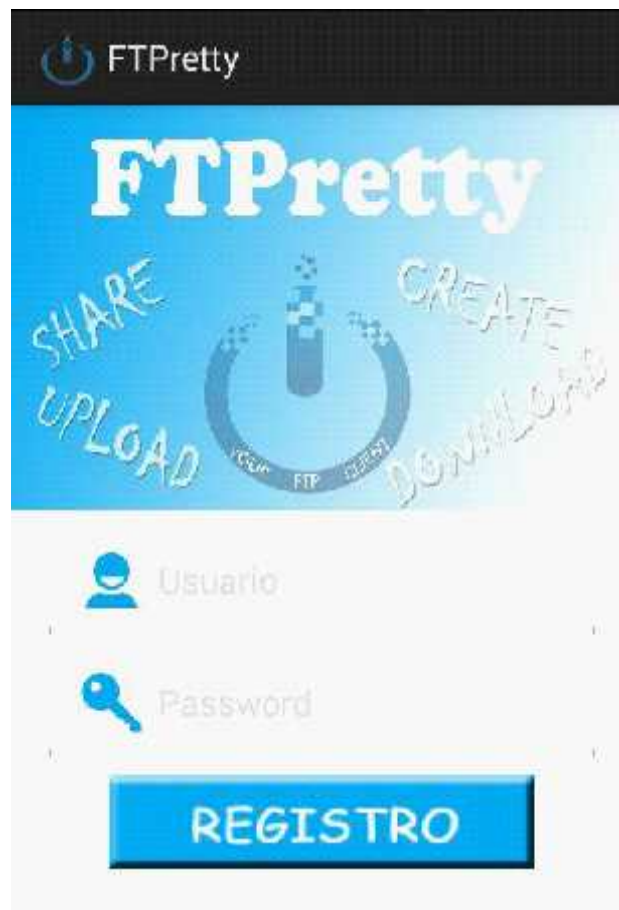

---

When the user open the application for the first time, he look the follow screen, we can see this in the Figure 1: Register. Then, the user will have to click in the button “REGISTRO”, to access to the next steep, and in this way he have to create an FTPretty account.

Figure 1: Register

So we can observe in the Figure 2: Register, the user have to complete the following fields which his username and his password. When the user has finished the process, he have to click again on the register button.

The image shows a web form for registering on the FTPretty platform. At the top, there is a black header with the FTPretty logo and name. Below this is a blue banner with the word 'FTPretty' in large white letters. The banner also features a central graphic of a power button with a checkmark, surrounded by the words 'SHARE', 'UPLOAD', 'CREATE', and 'DOWNLOAD'. Below the banner, there are two input fields: 'Usuario' (User) and 'Password', each with a corresponding icon (a person and a key respectively). A large blue button labeled 'REGISTRO' (Register) is positioned below the password field.
